The Unique theater was packed to the doors last night as usual. The feature of the show is a side-splitting comedy by Leon Errol, entitled "Blue Grass, or Kill 'em Quick." The big audience fairly howled when Mr. Errol dealt out his last prescription, known as "Blue Grass." When the doctor pulls the tooth out, and he and his student sit on the patient, it is discovered that they have pulled out the wrong tooth, and the audience is fairly convulsed with laughter. The performance will be repeated this evening.

**THE COMING FOURTH OF JULY.**

As this popular holiday approaches it brings to mind the terrible struggle of the colonists for their freedom, recalls heroes of the past and inspires patriotism for the future. Every true American will accordingly assist in making the day's celebration one that will surpass all others. The first essential, however, for a proper celebration is good health. If you are weak and run down and in need of a tonic, we urge you to try Hostetter's Stomach Bitters because it is universally acknowledged to be the best health restorer in existence. It will restore the appetite, purify the blood, strengthen the nerves and cure sour stomach, heart burn, belching, nausea, indigestion, dyspepsia and malaria. Women will also find it beneficial as a regulator and strength giver.
